Good morning, Minister,

You are scheduled to participate in a press conference at 11:00 a.m. this morning to provide Canadians with an update on the ongoing occupation in Ottawa, and the progress that has been made at ports of entry across the country. The Deputy Prime Minister and Minister Mendicino will also be participating.

The Deputy Prime Minister's remarks will be the focus of the update and will provide an overview of the financial consequences that were announced on Monday. The event will take place in the third floor foyer in West Block and the speaking order will be:

- Deputy Prime Minister
- Minister Mendicino
- Minister Blair

I've attached some light speaking notes. Please let me know if you would like me to make any changes. We'll have a printed version ready for you after Cabinet committee.

Thanks,
Annie
